GREGORY H. WOODS, United States District Judge:		

On February 18, 2021, Plaintiffs initiated this action and moved this Court to issue a temporary restraining order and a preliminary injunction. In support of that motion, Plaintiffs filed a memorandum of law, a series of exhibits, and a proposed order issuing the injunctive relief sought. The Court denies Plaintiffs' motion in part and denies it without prejudice in part. The Court denies Plaintiffs' request for a temporary restraining order because counsel has failed to "certif[y] in writing any efforts made to give notice and the reasons why it should not be required." Fed R. Civ. P. 65(b)(1)(B). The Court denies Plaintiffs' request for a preliminary injunction without prejudice. Should Plaintiffs still desire the Court to issue a preliminary injunction, the Court informs Plaintiffs that the proper method to seek such relief is to submit a proposed order to show cause with supporting documents. Plaintiffs are directed to serve a copy of this order upon Defendants and to retain proof of service.

SO ORDERED.
